PART II—Section 3

Statutory Rules and Orders issued by the Ministries of the Government of India (other than the Ministry of Defence) and Central Authorities (other than the Chief Commissioners).

MINISTRY OF HOME AFFAIRS

New Delhi-2, the 20th February 1957

S.R.O. 645.—In exercise of the powers conferred by clause (1) of article 258 of the Constitution of India, the President hereby:—

- (1) entrusts to the Government of the Punjab, with the consent of that Government, the functions of the Central Government under Land Acquisition Act, 1894 (1 of 1894), in relation to the acquisition of land for the purposes of the Union in the State of Punjab, subject

to the condition that notwithstanding this entrustment, the Central Government may itself exercise the said functions should it deem fit to do so in any case; and

- (2) directs that the word "Punjab" shall be omitted from the notification of the Government of India in the Ministry of Home Affairs No. S.R.O. 1074, dated the 14th May, 1955.

[No. F.26(5)/57/J.II.]

S. NARAYANSWAMY, Dy. Secy.

New Delhi-2, the 22nd February 1957

S.R.O. 646.—The following draft of the Andaman and Nicobar Islands Boiler Rules, 1957, which the Central Government propose to make in exercise of the powers conferred by section 29 of the Indian Boilers Act, 1923 (5 of 1923), is published as required by sub-section (1) of section 31 of the said Act for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 25th April 1956.

Any objections or suggestions received from any person with respect to the said draft before the date specified above will be considered by the Central Government in the Ministry of Home Affairs to whom objections or suggestions should be addressed.

DRAFT RULES

I. PRELIMINARY

1. **Short title and application.**—(1) These rules may be called the Andaman and Nicobar Islands Boiler Rules, 1957.

2. They shall apply to the Union Territory of the Andaman and Nicobar Islands.

2. **Definitions.**—In these rules, unless there is anything repugnant in the subject or context—

(a) "the Act" means the Indian Boilers Act, 1923 (V of 1923);

(b) "section" means a section of the Act;

(c) "regulation" means a regulation of the Indian Boiler Regulations, 1950, framed by the Central Boilers Board under section 28 of the Act.

II. GENERAL

3. **Fee how to be paid.**—All fees, costs and penalties payable under the Act or any regulation framed thereunder or these rules, shall be deposited in a Government Treasury under the head "XXXVI—Miscellaneous Department Miscellaneous,—Fees for the Inspection of Steam Boilers", by Challan in triplicate, the original copy being forwarded to the Inspector of Boilers, Andamans, together with the application for inspection. An application under section 7 or section 8 of the Act to which the treasury receipt obtained on payment of the prescribed fee is attached shall be deemed to be accompanied by the prescribed fee.

In the case of fee payable by Government Departments, the payment shall be made by book transfer.

4. **Appointment of Inspectors.**—The appointment of the Chief Inspector and the Inspectors of Boilers shall be regulated by such terms and conditions as the Central Government may prescribe in this behalf.

III. FEES

5. **Calculation of the fees for registration of boilers.**—(1) Fees required to accompany applications under sub-section (1) of section 7 shall be calculated on the basis of boiler rating as prescribed in regulation 384.

(2) The formula for calculating boiler rating shall be as prescribed in regulation 383.

6. **Kinds of fees and other charges.**—The following fees are prescribed, namely:

(1) **Registration fees.**—Fees for registration and first inspection of boilers shall be as prescribed in regulation 385.

(2) **Fees for inspection for renewal of certificates.**—Fees required to accompany applications for the issue of renewed certificates under sub-section (4) of section 8 shall be Rs. 40/- for each boiler.

(3) **Application of the above fees.**—The fees mentioned in clause (1) and (2), shall cover thorough inspection, hydraulic test and steam test where such are necessary, subject to the provisions of section 14(2).

(4) *Second fees for re-inspection of defective boilers and inspection in default.*—A second fee shall be leviable for the re-inspection of a defective boiler and also in any case where the inspection of a boiler is begun, but, owing to the fault or neglect of the owner or person in charge, is not completed within a period of six months from the date of commencement of inspection.

(5) *Fees for duplicate certificate.*—Duplicate certificates for bonafide purposes may be issued to boiler owners under the orders of the Inspector in receipt of a fee of Rs. 3/- per copy.

(6) *Fee for copy of Registration Book.*—For each copy Rs. 5/-.

(7) *Additional fee for inspection on Sundays and certain holidays.*—(a) Notwithstanding the provisions of clause (3), an additional fee of Rs. 50/- shall be charged for the inspection of a boiler on a Sunday or any other public holiday, provided that such inspection is made at the request of the owner of the boiler.

(b) The additional fee charged under sub-clause (a) shall be paid in the manner prescribed in rule 3.

(8) *Payment of Inspector's travelling expenses in certain cases.*—(a) In addition to the above fees, the Inspector's travelling expenses shall be realised from owners, whose boilers are not ready for inspection on the first visit made on their application, for every additional visit paid by the Inspector for the completion of the inspection.

(b) If the owner of a boiler requires an inspection at a time when it would be necessary for the Inspector to undertake a special journey for the purpose, an additional fee equal to the travelling allowance of the Inspector and his attendant staff, if any, from and to the Inspector's headquarters as determined by the rules for the time being in force for grant of travelling allowance to Inspectors, shall be paid by the owner of the boiler in addition to the fees, prescribed in this rule:

Provided that if two or more owners apply for inspections which are made in the course of a single such journey, the additional fee prescribed in this clause shall be recovered from such owners in such proportion as the Inspector may determine.

7. *Refund of fee.*—Fees paid in excess and fees paid for inspections which, for any reason not due to any fault or omission of the owners or persons in charge of boilers, have not been made shall be refunded by the Inspector if the refunds are applied for within one year from the date of payment; or may be set off by the Inspector against the fees for the inspections of any other boilers of the same owner.

IV. DUTIES OF THE CHIEF INSPECTOR

8. *Chief Inspector's duties.*—The Chief Inspector shall—

- (a) enter under his own signature all orders required by section 7;
- (b) decide all appeals against the order of the Inspector under section 19;
- (c) prepare the budget estimates for carrying out the purposes of the Act.

V. DUTIES OF THE INSPECTOR

9. *Inspector's duties.*—The Inspector shall work under the administrative control of the Deputy Chief Commissioner and shall submit to him—

- (a) an Annual Report on the administration of the Act;
- (b) such other reports and returns as may be called for.

10. *Manner of inspection.*—The main duties of Inspectors as laid down in the Act shall be the inspection and examination of boilers and steam pipes for safety. Inspections shall be carried out strictly in accordance with Chapter IX of the Regulations and Parts VIII and IX of these rules.

11. *Other duties Inspector.*—The Inspector shall—

- (a) personally check the registration and measurements of all newly registered boilers, the initial working pressure and shall report the result of the examination to the Chief Inspector for orders;
- (b) enter under his own signature any subsequent entries required in the registration book;

- (c) prepare a programme of inspections with due regard to the convenience of owners generally;
- (d) maintain a memorandum of inspection book for each boiler under his charge;
- (e) receive applications for registration or inspection under section 7 or 8, make proposals for repairs, alterations or renewals under section 12 and 13 and receive reports of accidents under section 18;
- (f) enquire into accidents to boilers and steampipes and report to the Chief Inspector;
- (g) report to the Chief Inspector cases of unreported accidents and unauthorised repairs discovered at the time of inspection.

12. **Instructions to be exhibited.**—The Inspector may advise owners regarding the maintenance, working and cleaning of boilers. Such instructions as he may issue for this purpose shall be hung up in each boiler house.

13. **Registers.**—The Inspector shall keep in his office—

- (a) a register in Form A appended to these rules of all boilers registered in the islands or the registry of which has been transferred from another State;
- (b) the registration book and memorandum of inspection book of all boilers borne on his register;
- (c) a register of appeals;
- (d) a register of accidents; and
- (e) a register of registration and inspection fees received.

14. **Application by owners.**—When a certificate is required for a boiler, application shall be made by the owner to the Inspector in Form B, No. 1, appended to these rules, stating the date on which the boiler will be ready for inspection. Such application shall be accompanied by the treasury receipt in original obtained on payment of the prescribed fee. In the case of boilers belonging to Government departments, the application shall be accompanied by the accepted book debit voucher for payment of the prescribed fee. The application when received should bear necessary endorsement thereon by the Cashier, showing that the fee and the extra fee, if any, chargeable for inspection on a Sunday or other holiday as laid down in clause (7) of rule 6 together with the Inspector's travelling expenses, if any, chargeable under sub-clause (a) or sub-clause (b) of clause (8) of rule 6 have been paid. If the date on which the boiler will be ready for inspection as stated in the application by the owner is unsuitable for inspection of the boiler, the Inspector shall fix a date within thirty days from the date of receipt of the application for such inspection and will give the owner not less than ten days notice in Form C, of the date so fixed.

15. **Kind of Inspection.**—There shall be two kinds of inspection of boilers:—

- (a) When the certificate granted under this Act is about to expire or when it has been revoked or suspended under section 11 and the owner desires that it shall be renewed, a thorough examination, inside and outside, shall be made by the Inspector in person, for which purpose the boilers must be prepared as required by regulation 376.
- (b) An ordinary inspection may be made by an Inspector at any time for the purpose of ascertaining whether a certificate should be revoked or suspended under section 11.

16. **Enforcement of rules.**—In addition to the inspection and examination of boilers, it shall be the duty of the Inspector to search for unregistered or uncertificated boilers within his area, and to see that certificated boilers are worked in accordance with the terms of their certificates and of any regulation or rule under the Act for safe working.

17. **Advice by Inspector.**—At the time of inspection, the Inspector may advise the owner or the person in charge of the boiler on the management and upkeep of the boiler with special reference to the amount of cleaning required in view of the quality of water used.

18. **Declaration by Inspector.**—When an inspection under the Act is completed, the Inspector making it shall prepare a declaration in Form B—No. 2, appended to these rules in column 8 of which the limit of the working pressure in pounds per square inch, shall be clearly noted.

19. **Inspector's certificate.**—Upon receipt of the declaration in the office, a certificate authorising the use of the boiler shall be prepared in Form VI prescribed by the regulations. Such certificate shall be signed by the Inspector and shall be delivered to the owner, manager or agent of the steam boiler inspected.

The time for the inspection of a boiler shall be between sunrise and sunset.

VI. ACCIDENTS

20. **Investigation by Inspector.**—On receipt of a report of an accident to a boiler or steampipe under section 18, the Inspector shall, with the least possible delay, proceed to the place to investigate the accident.

21. **Enquiry and report.**—(1) The Inspector at his enquiry shall make a careful examination of the damaged parts, and shall take such measurements and make such sketches for the purposes of his report, as he may deem necessary. He shall enquire into the circumstances attending the accident and note the time of its occurrence, its nature and extent, the injury caused to persons and the damage done to property. The report should be made in Form D appended to these rules.

(2) The Inspector shall take the written statements of witnesses and all persons immediately concerned with the accident. In order to comply with the provisions of section 18(2), the Inspector shall present to the owner or person in charge of the boiler a series of written questions on all points that are material to the enquiry.

(3) The Inspector shall decide whether the use of the boiler can be permitted at the same or at a lower pressure without repairs or pending the completion of any repairs or alterations that he may order. In no case shall he issue a provisional order or renewal certificate, until his orders have been carried out.

(4) A brief account of all accidents and their causes and measures to prevent re-occurrence shall be included in the annual report on the working of the Act.

22. **Unreported accidents.**—If, in the course of an inspection or at any other time, the Inspector discovers damage which comes within the definition of an accident, but which has not been reported, he shall report the facts at once to the Chief Inspector for action under section 24(d).

VII. APPEALS

23. **Appellate Authority.**—In this part "Appellate Authority" means the Chief Commissioner of the Andaman and Nicobar Islands.

24. **Appeal to be in writing.**—Every petition of appeal shall be in writing either in English or in Hindi.

25. **Presentation of appeal.**—A petition of appeal may be presented either personally or by registered post to the Chief Inspector.

26. **Documents to be filed.**—The petition of appeal shall be accompanied by the original order, notice or report appealed against, or by a certified copy thereof; or where no such order, notice or report has been made in writing, by a clear statement of the facts appealed against the grounds of appeal, and the relevant section.

27. **Date of hearing.**—On receipt of an appeal, the Chief Inspector shall, if the appeal is to be heard by himself, at once fix a date for hearing the appeal; and if it is to be heard by the Appellate Authority, obtain a date for the hearing of the appeal from the Chief Commissioner. There shall be no delay in deciding the appeals. The decision shall ordinarily be given within ten days from the receipt of the petition of appeal.

28. **Notice to appellant.**—When the date for hearing has been fixed, the Chief Inspector shall at once issue a notice to the appellant stating the date fixed for hearing and informing him that if he wishes to be heard in support of the appeal or to produce evidence, he must be present either in person or by authorised agent with his evidence on the date fixed. The notice shall be sent by registered post to such address as shall be entered in the petition of appeal.

29. **Inspector when to be present.**—In all appeals the Chief Inspector shall decide whether the presence of the Inspector is necessary and shall issue orders accordingly.

30. **Powers of Appellate Authority.**—The Appellate Authority shall have power to secure the attendance of witnesses and to make local enquiries and for this purpose shall exercise the powers of a Court under the provisions of the Code of Civil Procedure, 1908.

31. **Ex parte decision.**—If the appellant is not present on the date fixed, the appeal may be decided in his absence.

32. **Costs.**—In appeals before it, the Appellate Authority, shall fix the costs and recover them from the appellant in any case in which the appeal is dismissed. In all cases of appeal in which a local inspection is required by the appellant, he shall deposit in advance the full costs of such inspection.

33. **Fees.**—Any order on appeal authorising the registering of a boiler or the grant of renewal of a certificate shall be deemed to be subject to the payment of such fees as are prescribed by rules or regulations.

VIII. INSTRUCTIONS FOR REGISTRATION

34. **Inspectors to carry out instructions.**—Inspectors shall carry out the technical instructions for the registration of boilers, as laid down in Chapter IX of the Regulations, with the greatest care and precision.

35. **Deficit fee to be paid.**—No boiler shall be registered if on measurement the fee is found to be deficient, until the deficit has been paid.

36. **Register of boilers registered in the State.**—The Inspector shall maintain a register of registered boilers in serial order in Form A in two parts; in Part I (boilers originally registered in the Islands) the registered number of a boiler shall be the one immediately following the last serial number in the register. Gap numbers due to boilers being broken up or transferred to another state shall not be filled up. In part II (boilers originally registered in other States), entries shall be made as prescribed in rule 37.

37. **Register of transferred boilers.**—Whenever a boiler is transferred from one State to another, the owner shall, under section 6(b) apply to the Inspector of the State to which the boiler is transferred, for the registration of the transfer; the boiler cannot be used until registration has been effected. The Inspector shall then obtain from that State the registration book and memorandum of inspection book of the boiler. No fee shall be charged for recording transfer.

On receipt of the registration and memorandum of inspection books, the Inspector shall enter the boiler under its original number in Part II of his register. The registration book and the memorandum of inspection book shall be kept in the Inspector's office.

38. **Transfer or breaking up.**—Whenever a boiler has been transferred to another State, or broken up, the fact shall be noted in the register.

In the case of a boiler that has been permanently dismantled, the registration book and the memorandum of inspection book shall be destroyed.

IX. INSTRUCTIONS FOR INSPECTION

39. **Inspection how carried out.**—(1) The Inspector shall carry out the inspection of boilers in accordance with the detailed instructions contained in Chapter IX of the Regulations. The Inspector previous to an inspection shall scrutinize the memorandum of inspection book and shall note any entries that may have been made at the last inspection.

(2) Inspectors when inspecting one boiler of a battery shall also examine the other boilers under steam, with special reference to the water gauges, pressure gauges and safety valves.

40. **Certificates and provisional orders.**—(1) All certificates shall be issued by the Inspector.

A provisional order shall be issued in each case of registration after the hydraulic test if the Inspector is satisfied. The steam test may be taken at any convenient time within the period of the provisional order, after which, if the test is satisfactory, the certificate under section 7(6) shall be issued.

A provisional order shall also be issued after each completed inspection for renewal of the certificate so as to give authority for the use of the boiler pending the issue of the certificate.

The period specified in any certificate or provisional order shall begin on the day following that on which the completed hydraulic test or thorough inspection is made.

(2) Provisional orders and certificates shall be issued in Forms V and VI respectively prescribed under the Regulations.

(Reverse of Form C)

Preparation for examination

(See Chapter IX of the Regulations)

(a) *Preparation for thorough inspection.*—At every inspection of a boiler for the grant or renewal of a certificate, the boiler shall be empty and thoroughly clean in all its parts. All doors of manholes, handholes and sight-holes and cleaning plugs and all caps in the headers and mud-drums of water tube boilers, all firebars, bearers, front plates, bridge plates, fire-bridges, brick arches, oil fuel burners and mechanical stoker fittings shall be removed. All valves and cocks comprising the boiler mounting shall be opened up and taken apart and the valves and cocks ground, when necessary, before the inspector's visit.

Provision shall be made for the removal of lagging or brickwork or other concealing part and for the drilling of plates, if required by the Inspector, and for verifying the pressure gauge and safety valve dimensions and weights. All smoke tubes, exterior of water tubes, smoke boxes, and external flues must be swept clean.

Provision shall be made for the effective disconnection of all steam and hot water communication with any other boilers under steam, as prescribed in Chapter X of the regulations. This shall be effected either by the removal of a length of pipe from the steam and feed piping or by the insertion of substantial blank flanges. Where blank flanges are employed they shall be inserted between the flanges of the chest and the pipe attached to it. No blank flange shall be inserted between a safety valve chest and the boiler.

NOTE.—These provisions as to effective disconnection shall extend to every case wherein a person is sent, or with the assent of the owner or person in charge goes, into a boiler for any purpose. See Chapter X of the Regulations.

(b) *Preparation for Hydraulic Test.*—The chest of all mountings subject to steam pressure shall be in place and shut tight or blank flanged. The safety valves shall be removed and the chest opening blank flanged. The attachment* for the Inspector's pressure gauge and the nipple† for connecting the Inspector's test pump hose shall be in order. All doors shall be properly jointed and tightened up. The boiler shall be completely filled with water, care being taken to allow all air to escape and, if possible, a preliminary test not exceeding the working pressure of the boiler shall be taken before the Inspector's visit to test the tightness of the joints. When a boiler is hydraulically tested for the first time, it shall be entirely cleared of lagging or brickwork; at subsequent tests the lagging or brickwork or portions thereof shall be removed if required by the Inspector.

NOTE.—The last certificate for the boiler shall be shown to the Inspector.

CENTRAL EXCISES

New Delhi, the 2nd March 1957

S.R.O. 651.—In exercise of the powers conferred by section 37 of the Central Excises and Salt Act, 1944 (I of 1944), as in force in India and as applied to the State of Pondicherry, the Central Government hereby makes the following further amendments in the Central Excise Rules, 1944, namely:—

After rule 97 of the said Rules, the following rule shall be inserted, namely:—

"97A. Goods cleared for export may be allowed to be returned to factory.—(1) The Collector may allow manufactured excisable goods cleared for export under claim for rebate or in bond, but not exported for any reason, to be returned to the factory for being remade, refined, reconditioned, or subjected to other similar process in the factory, provided that:—

- (i) the goods are returned to the factory within one year of the date of payment of duty or within such further period or periods not exceeding six months in the aggregate as the Collector may, on sufficient cause being shown, permit it in any particular case;

- (ii) at least 48 hours' notice is given to the proper Officer before the goods are received into the factory.
 - (iii) the goods are presented, before they are taken into stock to the proper officer for inspection, and if necessary, for taking samples;
 - (iv) the goods are identified to the satisfaction of the Collector;
 - (v) the goods, as originally issued from the factory, are not found to have been tampered with in any way, and the smallest packages meant for retail sale are intact and unopened;
 - (vi) the value of the goods at the time of their return to the factory is, in the opinion of the Collector, not less than the amount of duty originally paid upon them or covered by the bond entered into by the owner under rule 13 at the time of their clearance from the factory;
 - (vii) the amount of duty originally paid or covered by the bond is not less than rupees fifty; and
 - (viii) a detailed account of the returned goods, and the processes to which they are subjected after their return to the factory is kept in the factory records.
- (2) (i) No refund shall, however, be admissible in respect of the duty paid:—
- (a) on goods which are disposed of in any manner otherwise than for production of goods of the same class;
 - (b) on the unmanufactured tobacco from which cigars, cheroots and cigarettes so returned to the factory have been produced.
- (ii) No refund shall be paid until the processes mentioned in sub-rule (1) have been completed, and an account under clause (viii) of the proviso thereto has been rendered, to the satisfaction of the Collector within six months of the return of the goods to the factory.
- (3) Where the goods were cleared for export in bond, full duty shown on the clearance document shall be recovered if such goods are disposed of in any manner otherwise than for production of goods of the same class.
- (4) After the processes mentioned in sub-rule (1) have been completed, the goods shall be cleared subject to the procedure prescribed in these rules in this regard."
